A STEM Alliance Digital Equity Program

CLIENTS' DEVICE NEEDS

93%

Need a device

62%

No device in the home

Device ownership (not loanership) is critical to tech adoption needed for fluency and workforce skills.

Clients are **3X**

as comfortable on basic workforce platforms such as Google Suite

PROGRAM OUTPUTS

2818

clients received 15 hours of tech education

4040

chromebooks distributed

2049

clients received assistance with free or low-cost internet

The laptop and training that you gave me literally changed my life. I was able to write my resume and apply to jobs on Indeed and Glassdoor. I desperately need a new job and this helped me tremendously.

- Jessica, Age 43

CLIENT DEMOGRAPHICS

As a result of this opportunity, I was able to enroll in college immediately after the program for the spring session, and I am happy to say that I am in my second year of college now!
